doğanlar™

doğankar®

Kapınızdayız, yıllardır...

35 yılı aşkın süredir Türkiye'de ve dünyada kapıların mutluluklara, kavuşmalara, evlerdeki sıcaklığa açılmasını sağlıyoruz. Yıllardır, binlerce yuvanın bir parçası oluyor, detaylara verdiğimiz önemle yaşam alanlarına kalite ve estetik katıyoruz.

16.000 m²'lik fabrikamızda aylık 100.000 takım kapı kolu ve 30.000 adet kapı menteşesi üretim kapasitesine sahibiz. Kapı kollarından pencere kollarına, menteşelerden banyo aksesuarlarına kadar yüzlerce farklı ürünü pirinç, zamak ve alüminyum malzemelerden üretiyoruz.

At your door, for years...

For more than 35 years, we are the reason for doors in Turkey and all around the world to open up to happiness, reunions, and warmth in houses. For years, we have been part of homes, adding quality and aesthetics to living spaces with the importance we give to details.

In our factory with 16.000 m², we have the capacity to produce 100 thousand sets door handles and 30 thousand door hinges a month. From door handles to window handles, door hinges to bathroom accessories, we manufacture thousands of products out of zinc, brass and aluminum.

doğanlar

Kalite, estetik tasarım...
